PROPERTY AUCTION SERVICES

Thinking of buying a residential or commercial property at auction?

Do you want legal advice that will give you the confidence to bid on a property at auction?

Once the hammer goes down you are legally bound to purchase the property. We therefore feel it is essential that you receive the correct legal advice prior to attending the auction.

We offer a fixed fee service so you know what you are paying up front. We will also be able to analyse the contract pack for you and give you the comfort of knowing everything you need to know about your potential purchase.

The best news is - If you go on to successfully purchase the property at auction, we will credit the fixed fee you have already paid to our usual conveyancing charges. Details of all costs will be given to you at the time of analysing the contract pack.

Contact Alan Edgington or Martin Bunney on (024)76 745000 to discuss your potential auction purchase further or email info.nuneaton@ldjsolicitors.co.uk
