Role Summary

We are looking for a Commercial Property Solicitor to join our Property team at our head office in Nuneaton. This role is ideal for an NQ to 3 years PQE solicitor who is eager to build their experience in commercial property work, including acquisitions, disposals, leases, and landlord/tenant matters.

You will work closely with senior colleagues on client matters, gaining exposure to a range of commercial property transactions within a supportive and dynamic legal environment.

What We Offer:

- **Career Development:** A structured environment with opportunities to develop technical expertise and progress within a growing property department.
- **Supportive Team:** Work alongside experienced fee earners and support staff across multiple office locations.
- **Flexible/Hybrid Working:** Flexible or hybrid working arrangements available after an initial onboarding period.
- **Comprehensive Benefits:** Competitive salary, generous holiday allowance, enhanced sick pay, free onsite parking, employee referral scheme, employee discounts, pension scheme, and ongoing training.

What We're Looking For:

- **Experience:** NQ to 3 years PQE with some exposure to commercial property work, ideally including sales, acquisitions, leases, or landlord and tenant matters.

- **Transaction Management:** Ability to handle files confidently under supervision, managing deadlines, documentation, and client communications efficiently.
- **Technical Skills:** Strong legal research and drafting skills, with attention to detail in contracts and property documentation.
- **Client Service:** Excellent communication and interpersonal skills to provide clear, practical advice to clients.
- **Team Collaboration:** Able to work as part of a busy team, with willingness to learn from senior colleagues and contribute to the department's success.

This role provides an excellent foundation for a Solicitor aiming to build a long-term career in commercial property law, with structured support and exposure to a diverse range of clients and transactions.
