Role Summary

We are offering an excellent opportunity for an experienced and confident Senior Associate Solicitor to join our Family Law team at our head office in Nuneaton. This role is ideal for a solicitor with significant experience in private family law who is ready to take the next step in their career within a supportive, forward-thinking legal practice.

While the focus of the role is on private family law (divorce and financial matters), some experience in public law would be advantageous, particularly as we hold a Legal Aid franchise. However, this is not essential.

What We Offer:

- **Career Growth:** A senior-level position within a well-established and respected firm, offering the opportunity to shape the direction of the department and enhance your professional reputation.
- **Supportive Environment:** Work as part of a close-knit team of experienced fee earners, paralegals, and legal assistants across two office locations.
- **Flexible/Hybrid Working:** Flexible or hybrid working arrangements available following an initial onboarding period.
- **Comprehensive Benefits Package:** Enjoy a competitive salary, excellent holiday package, enhanced sick pay, free onsite parking, employee referral scheme, employee discounts, pension scheme, and ongoing training for continued development.

What We're Looking For:

- **Experience:** A minimum of 5 years' PQE with a strong background in private family law, particularly divorce and financial remedy work.

- **Caseload Management:** The ability to manage a busy caseload confidently and independently, handling everything from divorce and financial settlements to children matters.
- **Advocacy Skills:** Advocacy experience is required, as you will be expected to represent clients in court as part of the role.
- **Client Care:** Exceptional client care and communication skills, with a focus on providing compassionate and professional legal advice.
- **Proven Success:** Proven success in achieving fee income targets and delivering results in a dynamic legal environment.

This is an excellent opportunity for a motivated and ambitious solicitor to make a real impact within a growing team. If you're looking to progress your career in a firm that values its people and supports long-term development, we encourage you to apply.
